

YMCA of Timmins

The YMCA of Timmins creates opportunities that encourage the development of healthy individuals, families and community. We are a charitable organization made up of clients, volunteers and professional staff that offer quality programs that promote self-improvement, self-reliance and mutual respect between members and participants.

We are so thankful for our partnership with the local Timmins Charitable Gaming Association. The funds we have received have gone a long way in the upgrades of our Child Care centers. In the past year we have made significant improvements to our Moore St. location and have added an accessible ramp, renovations, and restructuring to the children's play yard.
